

5th January, 1962.

NAGASAKI.

1130 "MANHATTAN MARU" This ship has today been classed @100A1 "MTsa - Oil FP above 150°F. or Vegetable Oil", together with the appropriate notations recommended by you.

It is concluded that the notation "Carrying oil FP under 150°F" is an error, but this should be confirmed. (Refer Rpt. 4b).
