THE SURVEYORS.

Dear Sir,

Barge "EL ZARATE" (B.C.Class).

In reply to your letter of the 21st. inst. and previous exchange of correspondence relative to the Special Survey and outstanding repairs of the above barge, we have been in contact with the Owners and now enclose herewith a free translation of a letter received requesting withdrawal of Class.-

By way of explanation the Management state that The Frigorifico Smithfield has been taken over by the Government, and by decree law Marine Insurance is effected through local underwriting groups. Furthermore this small craft is purely engaged on River Service between Zarate and Buenos Aires, it comes under the jurisdiction of the Prefectura General Maritima, and that they carry out running and maintenance repairs with the Frigorifico personnel at Zarate as opportunity may afford.

Yours faithfully.

*Ami Renee*

The Secretary.
