Dear Sirs,

S.S. "STAMATIS"

With reference to my letter of the 4th December, to which I do not appear to have received a reply, I shall be glad to learn for the early information of the Committee what early and definite arrangements have been made by the Owners to complete the Special Survey and carry out the Steampipe Survey.

Information is also requested as to the Owners' intentions regarding the Screwshaft Survey of this "Liberty" type vessel, referred to in my communication, also the Main Boiler Survey due at the end of April, 1965.

Yours faithfully,

Clerk to the
Classification Committee.
