Dear Sirs,

S.S. "STAMATIS"

Following the survey carried out by the Society's Kobe Surveyors last August a fresh record of Docking Survey 8.64 has been assigned and class has been continued subject to set up and indented keel and bottom shell plating and side shell plating (port and starboard forward) being specially examined and dealt with as necessary, also to the fore mast and main mast shrouds being renewed by completion of the Special Survey.

It is understood that you intend to complete the Special Survey on the ship's return to the United Kingdom, and I shall be glad to learn at which Port this inspection will be completed in order that the Society's Surveyors concerned may be advised.

An early reply will be appreciated.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

Messrs. Pegasus Ocean Services Limited.,
Ibex House,
Minorities, E.C.3.
