TRIESTE

15754 "ABO EGELA" This ship has today been classed \*100 A1  
- "Tug" "Mediterranean Service" together with the  
appropriate notations recommended by you.

It is concluded the chain cables were tested under the  
supervision of a Surveyor to the Society and that the  
third bower anchor head was satisfactorily drop tested,  
but I shall be glad to receive your confirmation.
