QUESTION

ANSWER

With reference to my letter of the 18th September last, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made regarding the Docking and Screwshaft inspections.

Date:- 18th April, 1965

The Owners did not propose any definite arrangements in this connection. It is well to state that the Owners' decision is to draw this tug as well as "ABO EGILA" from class. M.s. "AIDA III" will be the only vessel belonging to the Owners which will keep the class.
