QUESTION

ANSWER

With reference to your letter of the 1st February, I shall be glad to learn whether you can now advise me as to whether or not the Owners desire the machinery of this vessel to be surveyed on the CS basis.

*no*

Date:—

27th. March 1962.

Whilst Owners have still not officially replied to this question of CS. Survey cycle, it is our understanding that at the present moment they prefer to a later date before deciding, the matter being however in our mind for raising say at next drydocking.
