M.S. "PARADISE BEACH"

Dear Sir:

We have your letter of March 20, 1958 enquiring as to whether there are any changes in the circumstances of this case.

I have to advise that the vessel is still lying afloat at the yard of the Repairers who state that there are no new developments in this case, nor have they any knowledge as to the cause of her delayed departure. A general supervision is maintained of the vessel and the motor is turned over about once a month, by the repairers.

As the Owners have not sent a representative to this port for some considerable time, further information cannot be obtained.

Yours very truly,

JGB/sb
