Dear Sir:

We have your letter of 17th October, 1957 inquiring as to when our reports on this case may be expected, we also have your letter of 9th August, 1957 giving instructions regarding writing Report 13.

This is to advise that since our writing to you on July 31, 1957 nothing further has been done to the vessel which is still lying afloat here in the repairer's yard.

Frequently we contact the repairers for information and are always advised that the Terminal Piers at Nassau are not yet ready for operation.

Some minor items have yet to be attended to and as soon as these are completed and the vessel sails, we will forward our reports.

Yours very truly,

JGB/sb
