Dear Sir:

Ferry "PARADISE BEACH"

Referring to your letter of the 18th October last regarding the above mentioned vessel, we have been in touch with Mr. Hallbauer at Miami regarding the case, but up to the present he advises she has not arrived at that port.

We learned today that she is at Baltimore and have asked Mr. Buchanan to arrange for the case to receive attention, and have also asked Mr. Hallbauer to air mail the Stockholm Surveyors' reports to the Baltimore office.

Yours faithfully,

Secretary to the American Committee
