C.

DAGK/BN

Dear Sirs,

M.S. "CAMPERO"

With reference to your letter of the 25th May the Continuous Survey basis for the machinery was requested by the Cadiz Surveyors in their letter dated 21st March 1962.

If the Owners wish to revert to Engine Survey this will be in order when the electrical installation is examined, it being noted that all the other requirements have been dealt with now.

In the circumstances it is considered reasonable to charge fees on an Engine Survey basis, as these have already been charged for the Part Continuous Survey of Machinery previously held.

Yours faithfully,

per Clerk to the
Classification Committee.

The Surveyors,
BARCELONA
