E.

Dear Sir,

With reference to the second paragraph of my letter of the 30th ultimo, respecting the question of Air Receivers made in this country, I beg to inform you that I have received a letter from Messrs Sulzer, in Paris, stating that the difficulties reported in 1927 as to the application of the Society's requirements do not, in their opinion, exist any longer.-

They suggest however that an inquiry be made, on the subject, of Messrs Brunon & Vallette, at Rive-de-Gier; but this inquiry was made, the result of which has been reported in my above said letter.-

I am, dear Sir,

Yours faithfully.-

Francis
