ANSWER

*Review one month  
back.*

Date:— 27th March 1965

So far as we can ascertain, the  
Owner of this vessel has been  
declared bankrupt and the vessel  
sold.

We are trying to find out what the  
new Owners intentions may be with  
regard to classification, but he  
has previously withdrawn other small  
vessels from the Society's class  
and we think it unlikely that he  
will make any serious attempt to  
comply with our requirements for this  
ship.
