My letter 10th January and previous correspondence - please furnish position regarding equipment and completion Engine Survey.

Note: Screwshaft Survey due 12.64.

Date:— 28th. September. 1964

We are unable to get in touch with the Owner of this vessel who also has a number of outstanding accounts. It is reported that he has been indisposed for some time and his office appears to be closed.

Under the circumstances, we think it unlikely that any attempt will be made to bring this vessel back into class, but we are persuing our inquiries and will keep you informed of any developments.
