26th January, 1950.

Dear Sirs,

F I beg to acknowledge the receipt of your letter of the 20th instant respecting the "BASINGCREEK", and with regard thereto I have to say that it is regretted that in view of the time that has elapsed since a Special Survey was carried out on this vessel, before a Load Line Certificate can be issued a Special Survey Type 4 and a Load Line Renewal Survey must be carried out.

Yours faithfully,

pro Secretary.
