Translation

Our ships "ATLAS", "MAURITANIE", "TOUBKAL" and "ZAGORA" have been registered with your Society since they were placed in our service.

In view of the linguistic difficulties which are encountered by our own technical staff in servicing these ships, and in order to simplify matters, we regret to inform you that we shall withdraw each of these ships from L.R. class on expiration of the current Certificates.

At the same time we wish to thank you for the helpful and efficient assistance which you and your representatives abroad have always given to us.
