Dear Sirs,

Admin/F

With reference to your letter of the 16th April regarding the Motorship "ZAGORA", I have to inform you that the fees and expenses shown in your proposed letter to the Shipbuilders are concurred in.

I would point out that since my letter of the 11th April on the subject of hull and freeboard fees your report on the machinery has been received and it is observed that the fee for machinery installation is not strictly in accordance with the scale; according to our calculations it should be Frs. 131,200. At this stage, however, it is not proposed that any additional charge should be made on this account.

A minor typographical error has been made in your draft letter; the equipment numeral should read 18,500.

The hull and freeboard fees on your report No. 12001 have been amended accordingly.

Yours faithfully,

N.W.B.

pro Secretary.

The Surveyors,
MARSEILLES
