Enclosure.

Dear Sir,

In reply to the enquiry contained in your classing letter of the 27th instant regarding the case of the "EMPIRE JUNA", our report No. 53896, we beg to advise you that ordinary type of safety valve was fitted to this vessel and not the improved high lift type as per Glasgow certificate No. V.9162, which is returned herewith.

We shall be glad if you will be good enough to amend our report to 13.95 sq. ins. as area required for safety valves.

We are, Dear Sir,

Yours faithfully,

The Surveyors,
