Dear Sirs,

Motorship "PROODOS"

I am obliged to you for your letter of the
24th instant.

The Committee have had this case under careful
consideration today and in view of the fact that
certain recommendations made by the Society's
Surveyors at Rotterdam for repairs are not being
carried out under their inspection the Committee
feel they have no alternative but to record a
notation of "Class withdrawn reported defects" in
accordance with the provision of the Rules on this
point.

It is noted that the vessel is being classed
by the Bureau Veritas and on receipt of documentary
evidence that class has been assigned by that Society
we shall be happy to indicate in the Supplement to our
Register Book that this is a fact.

Yours faithfully,

Clerk to the
Classification Committee.

Messrs. Pegasus Ocean Services Limited,
Ibex House,
Minories,
London, E.C.3.
