14th March, 1950.

Dear Sirs,

I duly received your letter of the 28th ultimo respecting the Steamer "STAR VIII", the contents of which are noted.

S.

With regard thereto I may say that the H.S. as shown in the Register Book does not include Superheaters and, therefore, does not require amendment.

Yours faithfully,

Clerk to the Classification
Committee.

The Surveyors,
OSLO.
