Lloyd's Register of Shipping.

Port of Oslo.

5th December 1949

British Corporation Class.

This is to Certify that I have

Surveyed the Boiler^s and Machinery of the steel screw steamer

"STAR VIII", 443 tons gross, of Sandefjord, while standing

in floating dock and lying afloat at Bredrikstad,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I have

Recommended that the records of MBS 10.49.- B1rs 10.49.,

and msp 10.49,

be made in the Register Book in the case of this vessel.

P. Siira

K. K. K.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
euted, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
atever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
ry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
mmitees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
