

Steam Tugs "BOWMAN" ex "TID 24"  
and "YEOMAN" ex "TID 90"

These Tugs, which were built under the supervision of the British Corporation, were assigned the class B.S\* Towing Purposes - Harbour and River Service.

They are therefore entitled to the "\*" in their present class of A1 For River and Harbour Towing Services, and the necessary amendment should therefore be made in the Register Book.

  
20th September, 1955.
