Dear Sirs,

S.S. "NAFPLION".

With reference to the classification of this vessel in the Society's Register Book, I shall be glad to learn what arrangements are proposed to be made for the Main Boiler and Special Survey, due at the end of December 1964 and February 1965 respectively, to be carried out.

In view of the new Rules it is considered that the Owners should arrange for the next Steampipe Survey to be carried out by the completion of the Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee.
