Classn(s) London.

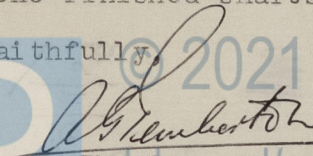

Dear Sir,

M.S. "CARISBROOKE CASTLE".

With reference to your classing letter of the 24th instant and your previous letter of the 29th ultimo concerning the size of the thrust shafts fitted to the above vessel, we have had no opportunity to verify the shaft diameters to date. The vessel will be withdrawn from service shortly and we should then be able to deal with this question.

These shafts were supplied with the engines by Messrs. Crossley Bros. and we enclose herewith copies of Manchester Certificates F.7561 and F.7712 for the finished shafts.

Yours faithfully,

pro The Surveyors.
