

29 SEP 1947

Mr. Anderson,

Phyllisia

A Pumping Plan of this converted boiler
has now been forwarded as a reply to
endorsement-dated 18-8-47.

The plan has been examined and
is in order provided the $1\frac{1}{2}$ " stop
cock connecting the bridge and feed
water suction mains be dispensed
with.

~~18/9/47~~
18/9/47.

P. M.
