55, Fawcett Street,

Sunderland, 10th May, 1945.

Dear Sir,

"EMPIRE MARS".

With reference to your Classing Letter of the 4th instant, we beg to confirm the spacing of the rivets in the bottom longitudinals in the forward tank is 4" throughout and that the number and diameter of the rivets in the brackets attaching the longitudinals to the bulkheads is as approved. We have amended, on the copy of the report, the signs referring to longitudinals Nos. 12 & 13 and the bottom longitudinals as suggested.

We are, Dear Sir,  
Yours faithfully,  
THE SURVEYORS,  
PER:

The Secretary,  
WOKINGHAM.
