Dear Sirs,

R.

NH/BN

M.S. "BRITISH DEFENDER"

In reply to your letter of the 19th December, I am pleased to inform you that the Committee are agreeable to a General Examination being held in drydock in the Newcastle Upon Tyne area about the 3rd January with a view to the postponement of the Special Survey for twelve months until sometime before the end of December 1964.

The Continuous Survey should be advanced at the same time as the General Examination of the Machinery by the inspection of some auxiliary machinery and pumps.

I note that the Screwshaft and Auxiliary Boiler Surveys will be held at the drydocking.

Yours faithfully,

ce Nure

Deputy Clerk to the
Classification Committee.
