Dear Sir,

All communications to be addressed to
THE SURVEYORS

Reference

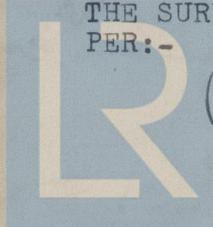

We regret to inform you that an error has been made in reporting the equipment numeral of the m/s "BRITISH DEFENDER" (Sld F.E.Rpt No.35399 forwarded 31st July, 1950). This should read 36446 and not 37600 as given, and we shall be obliged if you will make the necessary correction.

Unfortunately the greater numeral has been taken when calculating our fees, which based on 36446 should be £995 and not £1023.

As Messrs. Wm. Doxford & Sons Ltd., have not yet paid out account, submitted to them on the 31st July, our amended account is being sent to that firm, and we shall be glad if you will kindly authorise us to make the necessary adjustments in our Rough Fee and Debit Books.

Yours faithfully,
THE SURVEYORS,

The Secretary,
LONDON.
