Reference

Aurora Building,  
Calle de la Estacion, 5,  
Bilbao 7th. July 1919.

S

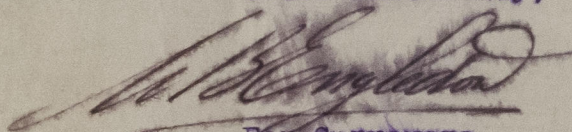

Dear Sir,

We beg to acknowledge receipt of  
your classing letter of the 17th. ultimo  
respecting our report N°5356 on the s.s.  
"CONDE DE ZUBIRIA".

We beg to inform you that the bottom  
plating at the ends clear of the double  
bottom is 11 1/2 m/m, and that reverse beams  
have been fitted at hatch end beams in  
way of N°3 hatchway.

The screw shaft is fitted with a  
continuous liner.

We are, Dear Sir,  
Yours faithfully,

For Surveyors.

The Secretary.  
LONDON.

Referred to the Chief Ship Surveyors
