With reference to your memorandum of the 13th September I would inform you that, in view of the satisfactory General Examination of the hull and machinery held in January last, the Committee have approved the further postponement of the Special Survey until October, 1967.

Please note that the Main Boiler and Annual Classification Surveys will become due at the end of January 1968, also the machinery subject as noted in the Special Reasons List No.275.

Yours faithfully,
