Dear Sirs,

## CLASSING LETTER

534 "JOSINA". As recommended.

As a result of the General Examination now held, postponement of the Special Survey until the end of May 1967 has been approved by the Committee, and I shall be glad to learn in due course what arrangements the Owners propose to make in this respect.

I shall be glad if you will request the Owners to forward a statement signed by the Chief Engineer covering the adjustment of the safety valves of the centre boiler, including the pressure to which they were adjusted.

Yours faithfully,

*ee fbo*
