Dear Sirs,

m.s. "Awata Maru"

We have acknowledged receipt of your letter dated
30th January, 1968, concerning the bower anchor and chains of this
vessel.

As to the bower anchor, we had shipped it at Yokohama,
and have installed it as the starboard bower anchor and have been
surveyed at Kobe on Feb. 2, 1968 by your surveyors, Mr. W.B. Dugdale,
and Mr. J.E. Legorburu.

As to the chain cables, according to your recommendation,
we intend to retest them at the next dry docking.

Yours faithfully,
