Reply

Date 21st March, 1968.

Owners reply :-

" We beg to advise you that the vessel is presently committed under time-charter and, to enable the present time-charter not to be disturbed or off-hired, we shall be exceedingly grateful if you will kindly apply to the Society for permission to postpone the requirement of docking until sometime in July, 1968, when we expect that the time-charter can be completed."
