Dear Sirs,

Recd. 2/1/50

MOTOR VESSELS

It is our wish that in future all our motor vessels' machinery should be surveyed under the continuous system and we should therefore be pleased if you would arrange this accordingly.

We have at the present moment the motor vessel "CORNISH CITY" at Rotterdam, the "HOUSTON CITY" at Hull and we wish these vessels to be dealt with in the manner referred to above on this occasion.

The "FRESNO CITY" is also in Hull, but this vessel has already been running on this arrangement for some time.

Yours faithfully,

SIR WILLIAM REARDON SMITH & SONS, LTD.
