Dear Sirs,

I am in receipt of Mr. Taylor's letter of the 20th ultimo regarding the condition of the bottom of the Whale Factory "JUAN PERON".

This was read to the Committee who were very interested to learn that, despite her long lay-up the hull was found to be in very good condition with no signs of wastage of any part, and no deformation of bottom plating.

Your report is awaited.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
BUENOS AIRES.
