

necessary plans, copies of Certificates and Reports  
and the maker's certificates for First Entry of the

"ASO MARU" - Kob. Rpt. No. 628

Before this case can receive consideration,  
the Surveyors should be requested to furnish <sup>the necessary</sup> approved  
plans for dealing with the First Entry Report, as only  
approved Midship Section and Profile & Deck plans have  
been forwarded with their report.
