Dear Sir,

With reference to your letter of the 9th instant addressed to the Toronto Surveyors, they advise that the "THORDOC" and "BARGE A" are laid up at Port Colbourne, and the "CARTIERDOC" at Sarnia.

No structural alterations have been commenced on these ships, as apparently the question of finance has not yet been resolved.

The "H. J. McMANUS" was completed sufficiently to permit her to hold a storage cargo and it is the Owners' intention to use the barge solely for storage at Sarnia.

The Toronto Surveyors' report on this ship will be forwarded shortly.

Yours very truly,

Secretary to the
Canadian Committee
