With reference to your letter of the 30th July, 1962, concerning the removal of the engines and boilers of the above vessels, I shall be glad to learn whether you have any further information concerning the submission of plans for retention of class.

In this connection I would draw your attention to "Instructions to Surveyors" Circulars Nos. 2163 & 2178 concerning the necessary plans for vessels not fitted with propelling machinery.

Yours faithfully,
