The Secretary
London, England

Dear Sir:

C. Further to your letter dated 23rd July,
we have to inform you that the "H. J. MacMANUS" *Chen*
and the "CARTIERDOC" are under Survey at Sarnia
and retaining class. *MR* *MR*

The "BARGE A" ex "LAWRENDOC" and the
"THORDOC", presently at Port Colborne, have had
their main engines and boilers removed (not under
our supervision) but in a recent discussion, Mr.
Reid indicated that he proposes to retain class
on both vessels and plans will be submitted to
our Montreal office in the immediate future.

Yours very truly,

Lewis D. MacBean
