Lloyd's Register of Shipping.

Port of Stockholm,

22nd December, 1945.

This is to Certify that I have

Surveyed the steel sc. motor-tanker "Kløvertre", of Oslo,

while building at Messrs. AB Ekensbergs Varv, Stockholm,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have

Recommended that she be classed in the Register Book of this Society, viz. ~~ALCOAL~~, carrying petroleum in bulk, subject to indented bottom plates on starboard side being dealt with at the Owners' convenience, she

being fit to carry petroleum in bulk.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
