REPORT Lon.

No. 118349

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

This ship is classed BS.

An Annual (Classification) Survey becomes due 12.49.

The LONDON Surveyors report (5.49) ship examined in dry dock and minor wear and tear repairs effected.

The garboard strake (p & s) is slightly corrugated all fore and aft, but it is considered that no recommendations in respect of repairs need be made, and this information is furnished for record purposes.

IT IS SUBMITTED this ship is worthy to remain as classed by the British Corporation, with record of docking 5.49, and with endorsement of class.
