POSTPONED SURVEYS.

Case of the S.S. "ACRELOIDE"

No. 00111 in Reg. Bk. _____ tons, Built _____

Classed _____ Owners _____

Port of Registry _____

Boiler Survey due 3.48, partly held. Vessel eligible for record of B.S. 3.48. when Donkey Boiler examined and its safety valves adjusted.
Further Complete Boiler Survey due 3.49.
Screwshaft Survey due 10.48.

A record of "Laid up pending Survey" has been assigned in this case.

A cablegram has now been received from the Rio de Janeiro Surveyor stating that this vessel is reverting to previous Owners, and that all outstanding surveys are being effected, but the Agents wish to avoid docking and Screwshaft Survey for a further six months, if the Committee are agreeable.

*Submitted for the consideration of the Committee
