D.O. Enclosure.

11th February, 1943

Dear Sirs,

I am in receipt of a letter from the Hull Surveyors informing me that the Tug "EMPIRE BEN" has now proceeded to your Port for the installation of machinery and for carrying out completion trials.

In the circumstances I think it well to forward their First Entry Report No.51877 on this vessel for your guidance and completion.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
SUNDERLAND
