Dear Sirs,

Motorship "CRICIUMA"

I have your letter of the 24th May and am pleased to learn that this ship is to be drydocked at Belem or Natal, and it will be quite in order for a Surveyor appointed by Lloyd's Agents to undertake the examination of the ship.

Should it be decided to carry out the Special Survey, it will of course be necessary for you to visit the ship, for which purpose the fees will require to be assessed on the basis of time occupied, and not in the normal manner.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
RIO DE JANEIRO.
