I think it is advisable that I should  
report Mess<sup>rs</sup> Jates & Thom's engine  
and render an account of fees viz -  
£58-7-0 to the firm.

With reference to the other two engines  
mentioned I think it better to wait  
and see what instructions are received  
from the C.G.N.S.

I shall be glad to learn if this  
meets with your approval.

I am, Sir,
