71, Fenchurch Street, E.C.3

3rd June, 1952.

H) Dear Sir,

I have to acquaint you that the Hamburg Surveyors recommended that the alignment of the port generator crank shaft of the Motorship "MORSKA WOLA" should be further examined before the end of April last, and with regard thereto I have to acquaint you that the Owners' London Agents state that this matter was dealt with at Bone. As it appears from the Shipping Papers that this vessel arrived at that port on the 12th and sailed on the 13th ultimo, I shall be glad to learn whether the necessary examination took place under your supervision.

Yours faithfully,

Clerk to the
Classification Committee.

G.M. MacDonald, Esq.,
ALGIERS.
