

Steel Sc. Tug "GONDIA"

As desired I called and saw Mr. Watkins in
in regard to the outstanding fees on the above vessel.
Mr. Watkins stated that they still owed Messrs. Crabtree
& Co., Ltd., some money and that they would write to them
to the effect that their account would be settled minus
the fees due to Lloyd's Register.

Mr. Watkins added that he anticipated being able
to send a cheque for the amount of the outstanding fee shortly.
