Hamburg, 11th Aug. 1934.

Reference

Dear Sir,

With reference to previous correspondence with regard to the classification plans of the Horn vessels and in particular those which are required to be copied for the use of the New York Surveyors in connection with the proposed classification of the m.v. "MARIE HORN" I have to advise you that the ^{machinery} plans returned to this Office in connection with the case of the "Henry Horn" apply to the case of the "Marie Horn" only in respect of the following:-

Electric installation
Auxiliary Diesel engine
Crankshaft for Aux. Diesel engine.

One copy of each of these plans are being sent to you today under separate cover and I shall be glad if these plans could be returned as soon as the photostat copies to be sent to New York have been made in the London Office.

A complete set of the remaining plans for the "Marie Horn" has been requested from the Builders, Messrs. Fried. Krupp Germaniawerft Kiel, and it is hoped that these can be sent on to you with the Monday noon mail.

The Secretary,

LONDON

I am, Dear Sir,

Yours faithfully

A. Chiodola
