Dear Sirs,

s.s. "LORD KELVIN"

In reply to your letter of the 12th December I have to say that the Committee are agreeable to a General Examination being held in drydock this Winter as proposed but, in view of the age of the vessel, the period of postponement granted for the Special Survey will be dependent upon the condition of the ship as found and reported upon at the General Examination.

I note that the Main Boiler and Steampipes Surveys will be held at the drydocking. This is in order.

Yours faithfully,

c.c. Montreal

Clerk to the
Classification Committee.

The Surveyors,
HALIFAX, N.S.
