

25 AUG 1953

Lloyd's Register of Shipping.

1130, YENOURA HIKOSHIMA.

reference

Shimonoseki, 31 JUL 1953

Dear Sir,

T.M.V. "ARITA MARU"
(Nagasaki Ship No.1430)

We are now forwarding, under separate cover Entry Reports 1, C12(a), 4b, 4c, 5a, 13 and 17 No.205 together with necessary plans, copy of certificates and the makers test records covering the Special Survey during construction and installation completed on the above motor ship at Messrs. Nagasaki Works of Mitsubishi Shipbuilding and Engineering Co., Ltd., Nagasaki to the order of Messrs. Nippon Yusen Kaisha, Tokyo.

A copy of Ltr.5, list of the plans, certificate and the makers test records are being enclosed herewith for your information.

The particulars of the P.403 steel used in this vessel will be forward to you when obtained from the Yard.

The total survey fees and expenses incurred for Yen 3,749,802.- has been rendered to the Builders, as per copy of our debit note attached hereto.

Yours faithfully,

Peter Manson
For the Surveyors.

The Secretary
LONDON.
